**ORDER**

---

Before **BRISCOE**, Chief Judge, **HOLMES**, and **MATHESON**, Circuit Judges.

---

Irven Douglas Adams filed a petition for writ of mandamus seeking an order from this court directing the district court to consider and decide his 28 U.S.C. § 2255 motion to vacate, set aside, or correct his sentence. We entered an order requesting the district court to respond to the mandamus petition.

The district court has provided its response, indicating that it has appointed counsel for Mr. Adams, set deadlines for briefing, and ruled on other pending motions. In light of this recent activity, Mr. Adams has received the relief he sought in his petition for writ of mandamus. We are assured that the district court will be monitoring the progress of Mr. Adams' case, considering the parties'

arguments, and reaching a prompt decision. Accordingly, we DISMISS the mandamus petition.
